PO BOX 1223 OZARK, ALABAMA 36361

The Grider/Gissendanner Family Dual-Enrollment Scholarship was established to give back and help impact the lives of high school seniors that works twice as hard as the average high school student. Dual enrollment is not the easiest task but with faith, dedication, determination, motivation, and the will to succeed.

Anything is possible.

Deshanna and De'Siona Grider was the first dual enrollment students in our family to graduate Wallace Community College with Associate Degree's before receiving their high school diploma. The Grider/Gissendanner family made many sacrifices as a family, worked hard in and out of school, was extremely dedicated, and used their time wisely. While becoming trail blazers in their school and community they have stayed active in church, school, and their community.

Eligibility Requirements

- High school senior & dual enrolled in college
- Volunteer hours (provide proof)
- List of honor societies, extracurricular activities, and clubs (separate sheet)
- GPA 3.0 or higher in high school & college – provide transcripts
- Essay – 350-word essay on the topic “How has dual enrollment impacted the life of my family and I?”
- Letter of Recommendation from a professor (either college or high school)
- **Open date January 28 Postmarked by April 1st**
- Please return application with all required documents. Incomplete application packets will not be considered, so please double check list.
